I'm not well, you won't like that... I'm out of money at all and I'm very sad about that, I was really depressed... I prefer to stay home, get better and get ready for the interview on Monday. Is for an PA, like u always wanted me to be. Even though I'm sure the boss will want to fuck me, I hope I'll impose myself so he won't try. (He's black)

I hope u have a good weekend in Paris.
