Look at my name! I am number 3. Everyone in top 5 has more experience than me. And I am above my manager who is usually number one and number 2 and has a team of trainees working for him.

I want to make you proud and myself ofcourse :)

To All Agents:

Here are a few amazing new STARS to keep tabs on! 7 more days to crush it. For October 2010 you must close 5 deals or close over \$20K in fees to attend the Power Breakfast Club.

Tomorrow we will review the current Market and give you insightful tips to working the fall Market into Winter.

Attendance is highly recommended!
