Importance: Normal

During the last 6 months that I saw PA activities:

1. proper deals are not shown to him (they don't associate him with deal making + have too much respect to raise deals, rather talk about world politics)
2. he mainly gets troubleshooting/crap deals to "save a UK company"
3. there's no follow up

Since China trip in September I started to follow up on meetings we had to develop/attract deals.
Is this right ??
