Dear Jeffrey,

It was a pleasure meeting you today.

I believe we had a good and open discussion over the seed idea that we have.

We are aware that project China is just conceived and needs a lots work to make it to reality. Having said that we also agreed this is something which looks sexy to you,and you can see some other investors interested in it as well.

I suggest we continue the dialogue between us before any approach is made to the target.

We also discussed DP World's listing in LSE. I really appreciate your advise and I will initiate some work the idea. I hope you will not mind me contacting you for further advise.

Once again thank you for your time and advise,and look forward to see you soon in Dubai.

Best Regards,
Mohammed Sharaf
