Importance: normal

The women who lead now are the worst about promoting that opportunity for others...

It is weird.

And im not sure who to tell. No opportunity at [REDACTED]. Academia is a trap. Don't think I have skill set for ceo anywhere.

Tough to know where to look! If I did I might try!!!

Sigh. Maybe my life would make a good fairy tale.

I have to make fun in the moment and I do!

I smile a lot and have learned that by observing carefully, sometimes I can even steal other peoples fun just by watching them!!

When none of my personal dreams came true, I bet the farm on the professional ones. So here I am!

But I am a fairy princess deep down...I'm so so lucky!!!

If I could pay all of my bills just by having fun I would stop the jobs and pursue all of my crazy ideas and maybe even create some stuff that helps others laugh too.

But until my Victorias Secret contract, fab business idea or zillion dollar inheritance comes through...I have no choice but to orbit!

Better than the only other option for a female...(raemora)!

Are you and Boris tearing up Paris??
