I'm in HK with PA. We had interesting dinner with David Rowland and two of his sons (incl Jonathan the CEO of his business). They operate a fully licensed private bank in Luxembourg and will now set up China offices to attract private wealth. After dinner they asked me to join them for a drink at the bar to talk more about China. David R. asked me what my relationship with you is and all I said is "my mentor, and I do what he tells me".
