Importance: Normal

Hello,

I just wanted to make everyone aware that our website is now live and can give you a lot of information (please see below for link). The center will open its doors in the beginning of 2011, but all the doctors are seeing patients as we speak in separate locations.

If you ever want a tour, to hear more about our center or need any help don't hesitate to email or call me ([REDACTED]).

www.dubinbreastcenter.com

Have a wonderful day.

Eva
