Just to let you know, I will have to author "original" pieces on all of these people and their ideas, and scatter your name throughout...

I can't just link to these people, their websites, etc.. I can't copy material off the web. It has to be "original" words for it to be picked up by the bots.

Send me a list of your charities.

my suggestion is that we use the twenty or so scientists that i have funded. murray , seth lloyd trivers, edelman, smmlin, hillis, and use their stories as web page hits.. epstein funded so and so, could be the web page for forbes. etc.. , tramo, kosslyyn . howard gardner, george church, novak, krausss, the events in st thomas, minsky, sussman, abelson, artificial intell, qquatum computing, mind brain, etc.. you should have plenty of good stuff to reference for higher search parametrs.
