my suggestion is that we use the twenty or so scientists that i have funded. murray , seth lloyd trivers, edelman, smmlin, hillis, and use their stories as web page hits.. epstein funded so and so, could be the web page for forbes. etc.. , tramo, kosslyyn . howard gardner, george church, novak, krauss, the events in st thomas, minsky, sussman, abelson, artificial intell, qquantum computing, mind brain, etc.. you should have plenty of good stuff to reference for higher search parametrs.
