Happy new year my friend!

The deal is finally being papered per the terms I had wanted. I also just concluded a new 1st look deal with Universal for film.

I'm currently in negotiations with Warner Bros. for a new television deal, I'll know where that leads next week.

I have a few films for next year coming together, and hopefully the same on tv projects I've set up.

I hope you can make the Life As We Know It premier in New York.

Thanks again for potentially backing me.
