Is your "yes" to our hacking of the internet sites to cause all that crap to disappear or about the island gig or were you being parsimonious, as saying yes to all? ;-)

If the former, let us start with 20K, send to my account, and Pablos and I will hire and put together the people to do it, also, goes for the future postings.

Waiting to hear back from Nathan...

On another matter, would you be interested in having all that crap that comes up on a google search on your name basically disappear? Pablos and I were talking about it, and we can make it happen for about 20 - 25K. We know the right people to hire.
