Just for the record you have the latest completed set of construction documents about to be delivered to Garry (the prelim set was sent to you and Gary last week with plans, elevations and cabinetry).... ..we will hopefully get the OK to send out to bid on this tomorrow

We are also sending sinks, faucets and pot filler for you review ...please choose what you want as we need to add this to the specs. I am happy to select this for you however best that you see the options yourself.

thanks
