hi from los angeles... wanna plan something? Do you want to go to the stupid WSF gala june 2nd evening as my guest? I have 2 tix but not sure I am gonna go.

I would like to talk about lots of things so will maybe try and skype from Tokyo sometime this week, if you are free.. otherwise looking forward to seeing you in NYC.. my social schedule is clear for that week.

Items I would like to talk about:

1. consulting idea
2. traveling to NZ or somewhere together perhaps and going walking.
3. Origin of Life workshop.
4. other ideas.

Just had my paper appear in Science this week... trying to finish something on neutrinos i have been thinking about.. but have to do copyediting on Feynman book while in Tokyo..we will see.

hope all is well.
