Getting sick of being so long so far east!

Although many interesting things here. It is mind blowing how is China advancing. We might need to learn mandarin soon.

On the other note – I just decided that I will be in Paris October 8-14 and in Cannes/Monaco 14-18.

Just in case that you are planning another trip to Paris.

Talk to you soon!

The guy who is hosting us this weekend (bruno wu, founder of sun media, china's largest private media company) said he will host a dinner for bill gates + warren buffet when they come to china this month
