Lawrence,

Jeffrey would like you to list who is what on the attendee list. He would also like a specific agenda ASAP.
Thanks.

Hi.. I think everyone on this list is coming.. two are origins staff, one is high level development person at university (to be confirmed), and one is existing significant origins donor. To this list (since as far as I know essentially no one is bringing spouses), I hope to add Martin Nowak, and perhaps 2-3 other significant scientists (eg...steve weinberg perhaps), so we will have 10-12 scientists plus editor in chief of sci am, plus 4 origins staff..

Hi Cecile,

I don't know what Mr. Epstein has said, but the list I sent you (copied again below) is, to my knowledge, accurate. The only change is that Ira Flatow will no longer be joining us, but Ariel Anbar will. I know Lawrence is, at Mr. Epstein's request, working to invite some other individuals.

I've copied Lawrence on this email-he can confirm or edit this list accordingly.
