Jeffrey,

I contacted dealers in the NJ/NY area to see what they have available and some will get back to me today and others will get back to me tomorrow so once I have all the information I will let you know what I come up with.

Thank you

Jeffrey,

I have checked with both my sources for the Kawasaki 650 ATV's and there are none available in any color, they can be ordered but will take about 7 months for them to come in.

There are 750 brute force units available in black which will run about \$ 8,700 per unit. I also contact Puerto Rico and they have 1 black 750 unit and I'm waiting on the price.

Please advise

Thank you
