Hi Jeffrey,

Here is a link to a more fluffy article I wrote for Seed magazine awhile back:

http://seedmagazine.com/content/article/moment_of_truthiness/

And attached is a short description I drew up last night on programmable matter. It doesn't go very deep, but it lays groundwork for describing some of the concepts/terminology involved.

Feedback welcome.

Talk soon,
jess

ps. I can also send an abstract of mine from MIT so you can get an idea of my technical chops as well.

pps. Here's my cell: [REDACTED]
