Doug,

I am following up on the requested CAD files in Matt's absence. We received many files in PDF format but require CAD backgrounds for us to proceed.

Is it possible for you to burn a CD with all the info for us? I can send a messenger to pick it up when its ready.

Also, please forward me your contact information so we can discuss any possible questions.

Regards,

Jorge

Hi All,

Just as a head's up, I will be out of the office this Wednesday, Thursday or Friday and I will have limited email access, so the more information that you can send today the better. Jorge and Staci are working on the project while I am away so you can always reach out directly to them with questions.

Shelley, I saw something about a proposed meeting for next Wednesday to go over the cabana layouts, what time did you have in mind for the meeting?

Thanks,

Matthew Milne
