Jeffrey,

St. Thomas Concrete sells per yard \$ 198.50 and they give a \$ 10 discount for credit card and \$ 15 discount for cash and check payment.

The \$ 350 price Gary tells you per yard includes the steel tie wire and labor as well. He informed me he will breakout his calculation and send it to me in the morning.

He also informed me that the concrete can only sit in a truck for 1 hour so it would not be possible to get it to LSJ.

Thank you
