Importance: Normal

:) ok. I think it is healthy when you can laugh from yourself or your weak sides or mistakes that you did in past. And only friends can do that with each other. Also, as you are a public person it should be a lot of fun for you to read all media comments about you and have a good laugh! But you are capable of doing that only if you accepted everything what happened and healed your scars. I bet you didn't.

Life is good!

Everything happens for a reason.

My kindness has only been returned by nasty comments. I tried to be a friend . I've had enough . I wish you well. Goodbye
