We just got the third bid to fix the roof this week. The rain has been terrible. We have selected a contractor. I should have an answer on when work will commence today. Joe Walling is calling him now.

Darren,

EFTA00758285

I would like to suggest that we at FTC, Inc. put our rental payments in escrow until the landlord fixes the roof. I have sat in this office for the past 11 years and had to endure roof leaks when it rains for ALL of those 11 years. For the past three weeks I have sat here and had water (at least I hope that is what it is) constantly drip ON me every minute or so - this is the worst it has been and it is not even raining!

I have had the maintenance men come and look once again and they promise to fix it as per usual but I am really fed up. I have no idea what is dripping on me since the ceiling tiles about my head are moldy. I know JE is an investor, can he do something?

Cecile
