I have rec'd Peggy Siegel's "Master List". Peggy sent me the following email last night:

Did he see the names I picked out of the media list as possible suggestions? (she emailed this small list to you and cc'd me)

Does he want me to go thru business, political and social list and make those suggestions too? (We have these "master lists" and they are huge! Probably a good idea for her to go through for you)

Thanks so much for taking care of Venice.

I really want to help him make his Yum Yum Kipper dinner very special...and make him feel loved by his friends. Will talk tomorrow.  
P

xoxo Peg

Jeffrey, If this party is a "go" and you truly want a Yom Kippur dinner, I understand we should confirm a caterer now! Either sables on 77<sup>th</sup> and 2<sup>nd</sup> ave or barney greengrass on 86<sup>th</sup> and Amsterdam are the two best in the city and they book up fast! They will want to know how many people are attending, Is this a sit down dinner? Cocktail and hors d'oeuvres?, etc

Je said if senator Mitchell confirms, then invite Larry Summers and Ehud Barak and tell them both that senator Mitchell will be coming.
