Good morning

need to paint pilot house, install stereo/gps etc which have already been purchased

purchase new engines and install

latest estimate is for engines (yamaha 250) x 2, controls etc and install \$37,000.00

Tubes are in fair shape

estimate 1 months lead time from date of approval.

Old engines could be used as spare parts for mid night.

let me know if we have to confirm pricing

Brice,

Please advise of what it will take to bring Nana up to speed.

Thank you
