---

Jeffrey,

For your review

I spoke with Igala and asked him if your getting these and he informed me he was instructed to send the pictures to Brice so I don't know why your not getting them.

Subject: Gramas Del Sur Trees

After I was at the Port I went to Gramas Del Sur in Ponce To tag the trees, I was told to Tag.

10 Coconut Trees  
7 Date Palms  
3 FishTail Palms

I took pictures of everything except the Fish Tail Palms, because it was getting close to dark

and the mosquitos were killing us and I just for got to snap a few shots of the trees I tagged, but as we drove off Sra. Rivas told me she could send me some photos of the trees I tagged when she e-mails the invoice

These Are Mahogany Trees
