Jeff: I am going to ny this wkend (sat - tues). I am going to attend the ICFE intl furniture show and to visit and work with philly a bit. As of late I like to stay at the 60 thompson hotel. Booked. In fact there doesn't seem to be a rm avail anywhere in the city. Do you know if the guest apt at your E. 66 building is possibly available? I would be happy to pay a nitely rate or for a clean up. I hate to ask, but... Let me know. Thanks in advance for checking. Will you possibly be in ny this wkend? Tk
