---

Jeffrey,

Attached is a chart of the Ford 7.5% bond of 8/1/12.

The bond traded as high as \$105.30 (4.93% yield). It is currently trading at \$103 (6.02% yield).

You have a small Ford bond position (\$200,000). This is a good core high yield name to buy and hold to maturity.

We should invest \$5MM.

Let me know.

Jeff
