Hahaha 17...I just watched 2 in the train and was walking around for 2 h..then had lunch w a friend which was super nice and now I went to agency to do some more polaroids..I'm kind of stressed cuz I'm afraid they gonna cancel my job in canada..the thing is that I know I fucked up like the 5th time already again but I'm all getting it just now..which makes me depressed again and making me to crave chocolate..aaaah I just can't believe I'm that stupid!
