Hi Jee,

With you – I want to have a great friendship for LIFE. Both during good and bad times.

I want to be honest and straightforward with my friends and I expect the same back.

As I mentioned you – there is nothing to worry – first two points are false and the third might be true. If so, I will work to repair that. I always deliver what I promise – although sometimes it takes me more time. This is a consequence as a) I am way over my bandwidth and b) timing is often the key. But do not worry – I am working on it.

Hope you are already giving stellar review on your score card/performance evaluations ;)

BTW – Melanie did a great job presenting to Bill and Melinda earlier in day!

Boris
