Jeff, yes I would like to share my concerns with you.

In the meantime, the last thing I would like to do right now is play the "u said i didn't say" kind of conversation, these are always unproductive.

As I mentioned, I am a bit lost and most certainly confused about the issues and allegations surrounding your friend M. Brunel.

I cannot share information with you because of the investigation. Also I don't wish to get involved in any way in legal matters that do not concern me.

I simply need to understand.

1. if u had a friendship or professional relationship with M. Brunel what was he like? and why do u think (given rumor mill, articles, etc...), that he is not involved in any way with a potential trafficking scheme?
2. how well do u know this man to be so certain about his alleged involvement?

Thanks Jeff I appreciate your help.

Jeff,

Thanks for calling me back. I was thinking about our conversation. I'm curious as to why you are certain "100% convinced", that Jean Luc is not traveling in and out of this country with under age girls for purposes other than modeling and using his agency?

Please can you clarify this? If you prefer in person that is fine. Again you know where I stand on this.

Since you know him then there must be something you know that will exonerate him. I would like to know what that is and help clarify all the rumors swirling about, thanks.
