how are you? miss you a lot and hope all is well.

i'm making job changes again and was wondering if you have any thoughts on whether Miami or NY is a better place to be doing real estate right now? I am thinking about getting my license here, in south florida, and focusing on commercial properties. People around me are saying it's a good choice and that that growth and development is picking up, especially in the design district and in Winwood. Do you agree?

Hugs,
