THANK YOU for listening and enduring the first take as my teacher was there last night recording on the main system so it was hard for me to hear my music.

I just listened to it again and made some notes.

the electro song you like is one of 4 songs that I divinely stumbled upon late one night. I googled the DJ and nothing came up. it's exactly what I want to do.. add the electro house beat to gospel and worship songs.

I'm going to do another recording for you. Any and all feedback... let me know!!!
