Dear Mr. Kerney: Very intrested in your proposition. My co. is both designing firm and contractor. I guess the best thing we can do is for you to fly to the D.R. And checkout some of the landscape I have done in Casa de Campo. Here we can talk more of what you would like. I would also like to see a floor plan of the home in autocad so I can have a feeling of the space and how near it is to the sea. If we come to an agreement I will then fly to St. James so I can see the fauna of the area ( I guess it will be very similar to ours). Looking forward of hearing from you. Thanks Omar

We have a custom home under const on Little St.James,a private island between St.Thomas and St.John USVI. You were recommended to us and I would like a little background on your co. Are you a design firm,contractor,both?

Please email me some info. on your co. that we can determine what opportunity for your involvement, should you be interested in our project

Thanks
