Dear Ken:

The pleasure was mine. I hope to see you at our apartment again very soon.

As ever,

Henry

PS Of course, seeing Jeffrey again after his long vacation also was a very special pleasure.

Henry and Jeffrey:

Only now am I back in harness in Malibu, and so please forgive my overlong gestation period in sending along this heartfelt note of thanks for our get-together on Monday. For the delightful lunch, and especially for the convivial advice and counsel, I am doubly grateful.

Jeffrey, thank you for making this possible. Henry, thank you for your much-needed (on my part) wisdom.

Best, Ken
