Hi Jeffrey sorry couldn't get you to the theater with Aden and Fizzy We went to the theater Aden was very apologetic about missing the meeting. We just got taken over by Haliburton I sold too soon but 30 percent was ok. Sat next to Schwarzman at Deniro birthday says Obama is dangerous to wealth he said if you stick your head up too much by showing wealth he will notice it and chop it off, never heard him talk that way before, have a good trip Jonathan
