Dear Keith,

Jeffrey Epstein has just called me to say that you had said we were all signed. And we are going forward with our deal.

The truth is that we are not signed.

I signed the agreement 12 days ago, on Good Friday. You promised you would sign on Easter Monday..

When Nancy brought it to you, you refused and said you had to wait for Scott.

Scott returned from Florida and you still refused to sign the agreement. As of Friday the 9th April, at the close of play the agreement was still not signed.

Scott sent me a text yesterday, Saturday. Asking if he could help in anyway, with my personal bills etc. He has already helped with my AT & T bill.

I know that Geir is coming to see you this week.

I just wondered what I can do or say, to ask you to sign the agreement which is sitting in Escrow awaiting your signature.

On Friday you sent a message to me saying that you were heading into the office to sign.

He text was sent on 9th April 2010 at 16.18;38 from you.

Love Sarah
