Just got your email, going to have a look...

My emotions are getting somewhat better :-)

I was going to call but don't want to disturb you again...I just wanted to say that I only want to come when it is good for you, I don't want you to feel pressurised to have me, also I always enjoy and am very happy to spend time in NY with [REDACTED]. I want things to work well for you and I understand if you take your time to decide.

So...I didn't go to the beach with Jared and went up into the mountains with some other friends. When I was done I went to Camps Bay beach by myself, it is one of my favourite places. I left my car lights on by accident and couldn't start my car so I had to call Jared to come and help me. Rachel came with him so I met her. He is so wonderful!

Big kiss
