Attachments: 71stStreetButtonTemplate.xls

I've attached a spreadsheet identifying the existing labels on the phones at 71st street. There are two vertical rows of 10 buttons and 8 line buttons at the bottom of the phone. I left the bottom of the spreadsheet blank so that this can be filled in as desired. Also, there is one incoming line button identified as GM. I have replaced this with question marks so that we can re-label this as well. Maybe Guest 2nd or Staff 3rd. If you can complete it and send it back to me, I'll get the labels replaced as soon as possible.

Thanks,

WM

Hello Sir,

Do you have a second to discuss the phone templates? I have a list of the existing numbers. I just want your input on the target labelling.

Thanks,

Wm
