Jeffrey,

Below is Brice's response from when I asked him about the pictures which he says he explained to you last week that he will send on Fridays any relevant pictures. He seems to do what he wants to do regardless. You had asked for pictures twice a week that is what Brice and Gary should be providing.

During the meeting with JE today he mentioned that he got a few pictures this week that showed him very little.

I have requested before to be cc'd on these e mails but I have not received anything lately.

He wasn't impressed with the pictures he received and said it needs to be better

Thank you

Emad Hanna
