Subject: Greenjets- Proposed Term Sheet

Dear Dean,

Attached, please find a proposed term sheet for a potential investment in Greenjets. We would each take only a portion of the total investment, but I would expect we will find other investors to join on these terms.

We have not yet received a balance sheet, so we have made some assumptions regarding the existing ownership and capital structure.

You have a very exciting business concept. Thank you for the opportunity to partner with you on Greenjets.

We look forward to discussing this with you further.
