I will check with both George and Sean,,,I would like to bring the Heli to Eric's shop in Islip for head rest fitting. I could leave it there for a week or more for potential showings.

I wouldn't mind flying north for a short trip, this way if any avionics or maintenance issue comes up, I just stop at Keystone heading south bound.

Plus Chris told me I have support in West palm beach at Sikorsky test center where we took the S76D tour..

Thx

Larry
