Major contradictions between affidavit/taped statement are at 2-9, and between affidavit/Recarey knowledge re cameras at pg 11. Problem with using tape, transcript is it will require us to disclose same according to Bob, Mike. Given that we have the conflict cemented, my default position is to ask questions about truthful statements on tape, get him to either deny or say no recall but not to use. Just wanted for you to have available to review for discussion.
