Hi Jeffrey!!! How are you?

Jeffrey, I talked to [REDACTED] and unfortunately she will not be in NY this week, she will be on vacation and coming back March 30th.

But I have some good news too! You remember [REDACTED] friend [REDACTED] whom you described "the one with funny teeth"? :) Her younger sister is coming to NY from Belorus in May or June, and [REDACTED] would like to introduce her to you. [REDACTED] sending a few photos.

Also, did you get a photo of [REDACTED] girlfriend [REDACTED], she told me she send you one. I didn't see it myself, but [REDACTED] was wondering if she should talk to her.

Jeffrey, are you sure you didn't like my friends Kristina and [REDACTED] from Ukraine? I know that when you saw them they might have seemed a little bit not friendly, but it's just because they were very shy and never been in a situation like this. I met with Natalia a few times after and I think she is really beautiful and a good person, too. They really liked you, may be you reconsider...

I am leaving on Wednesday, 24th, coming back to NY April 6, hope to see you then!
