Chief,

I just received confirmation that Jeffrey Epstein is on work release. Major [REDACTED] confirmed the work release status with [REDACTED] at the FBI. Because of his wealth, Epstein must pay for a Deputy to escort him while he goes to Atty Goldberger's Office so that he could work on the non profit Science research office. At this time, he must be back at the jail by a certain time or he violates the condition of work release. [REDACTED] advised AUSA [REDACTED] is researching case law to ascertain if this is a violation of the non-prosecution agreement. As you are aware, the agreement stated Epstein must do 18 months of incarceration. Just FYI
