Assuming personal emails are outside 119, the ordinary procedure would be to redepose - new evidence - issue subpoena - he would move to quash - we would advocate that his lawyer (assuming he is trustworthy) be allowed to redact personal emails and produce those relating to official business

I now see that [REDACTED] the state prosecutor was in contact with the Palm Beach police , in aug about possibly going to court ( sidestepping probation) to make a motion to violate me.. My probation officer [REDACTED] was removed from the office.. ( the only person removed ), yesterday probation came to the house , for the first time with two people. did a walk through of the whole house ( first time), yesterday REinstructed me on the rules of community control and had me sign an acknowlegment that i had been reinstructed. Reiter emails are filled with communication with the press. Also reflect personal conversations. ( he denied this at deposition, he also suggests using his personal email instead. for communication. we have virtually none of recareys.. personal? . Do we go to Reiters attny ( town appointed ). do we go to the judge and ask for all personal emails that are connected in anyway with my case. ?
