Jeffrey:

Attached is a photo of a 10'-11' clear trunk Phoenix Silvestri palm. They also have some 12' clear trunk palms that I have requested photos for. According to Minines Nursery in BVI, these are the largest Phoenix palms available in Florida. As I mentioned before, the 24' ht.palms would have to come from Arizona. The 12' size would cost \$6300 each including shipping to St. Thomas. I think this species is very nice. What do you think?
