Jeffrey,

I sent you the two options (attached again for reference). I got your note regarding adding the small office in the northeast corner, and access do the bathroom from the library, but the team has not yet added this to the drawings. We will get that to you ASAP. Any preference on screening room orientation (north-south versus east-west)?

Attached please find a revised plan and some model views. This is still basically for overall size, placement and massing. When we get the new layout set, we will start more a detail re-design.

Thanks,
