I am here at David Koch's. We just froze our asses off with the kids at the Everglades idiotically watching that building implode...then David went off to Aspen.

I am going to Maralo to have lunch with Regis and Joy Philbin today - very excited. They are coming to Casa Koch to see the house before or after lunch....

What are you up to?

I leave on Jet Blue Monday at 6:50pm...have to go to High Ridge County Club at noon Monday to have lunch with my Mom. Can I come see you? I am around.

Went to Wilbur and Hilary Ross's last night. They bought the property next door, tore down the house and built a ball room that looks like a white wedding cake...not to be believed....where do people dream up these presentations?

Was flying up with Julia and kids Tuesday but now have 5:30pm cocktail party hosted by Bobby Kennedy, Jr. for James Cameron (Avatar), 7:30pm dinner Martha Stewart is hosting for Food Inc. documentary at the Monkey Bar and at 8:00pm also at Monkey I am hosting a dinner for 20 for William and Annabel Astor.

Wednesday, George Stevens, Jr. is hosting lunch for Jim Cameron at Michael's and I am hosting a dinner for 40 at the Carlyle dining room for the Astors.

Thursday Dixon, Astors etc we all go to the DR. I want to go to Haiti and see the destruction, but Pepe will not send me in on his helicopters....should I drive in? Too dangerous?

Should I call you? What number?

xoxo Peg
