got it. Also, thought over the night: it may be wise to have Bruce go with me, if only to insure the meeting is a "confidential" mediation/negotiation between lawyers, thus preserving my confidential status. Don't want the civil guys to think they have a shot at depo-ing me. Will just prolong everything. Will discuss with Jack.

steve. ,- goals in order of desirability,, 1. agreed order to terminate, 2. agreed order to modify, 3. motion to terminate with no objection just leave it to discretion of court 4. motion to modify leave to discretion. agreed motion for unlimited business or charitable travel. 1. arguments.. jeffrey asked you to explain to them what happened , jack is away and is seen to be an advocate , as he should be , though the facts are looked upon more skeptically coming from a defense attorney. 2. you and lanna no real victims, marie nuts, barry was going to give 30 days ,, the week before the fed interceded. he said he thought only the feds could extract such a sentence, Your notes refer to lanna saying the police chief said he didn;t have a cse so just embarrass epstein.. no danger to community., better getting me out. statutes encourage terminating or modifying . policy requires trying to find those that are not really in need of close supervision.. Epstein never travels alone. termination less chance for problem, s more civil suits, he will leave . dershowitz wanted to call. you said no. we could ask Bruce REinhart to attend in jacks absence. ? the son of the state investigator(WESCOTT). had his c/c reduced to probation. The " high profile nature, should not stop him from doing the right thing. HE can talk to SLOANE the probation officer, they are supposed to review cases to see who should go.. I have in jail work release and cc, not one violation. the feds bullied the state. there are many no contact orders , there is no reason to ask for trouble. i am enclosing a sample letter from a scientist , explaining why my physical presence is needed.
