Jeffrey:

You're amazing. And a great friend, as evidenced by your working your way through Ken's book.

On a happier note, I would eagerly welcome Henry's guidance on an ongoing, unfolding basis.

Gratefully, Ken

of course.. you can assume he will help or guide for your entire freshman year . On another note, I find gormleys book, dry. I think your integrity triumphed in the book, as well as clintons mendacity . My guess is that I am one of the few readers , in addition to the main characters. to also know the Special Housing Unit

Wonderful! [REDACTED] like that very much.

New favor: Can we arrange another call with Henry?. [REDACTED] welcome your participating in that follow-up call if you would be so kind. If so, I'll reach out to you early the following week (in early March!), as next week is constant travel for yours truly.

Hope all is well.

In grateful friendship, Ken

[REDACTED] sure you have many things to do, but if you have time in wash or new york , we could share a coffee.
