I was thinking that lord can be pm. Wasnt hume (or so) lord and pm 45 years or so ago? Or perhaps he was lord afterwards.

I felt so bad for peter. He came with this awful magazine that had him on the cover and 4pages running story. Spreading lies and misinformations. I hate when people go into private lives. I guess you know better than most of people.

I am stranded on the road due to snow and heavy traffic. In not so good (or more importantly cute company!)

He is the only one who could emerge as a leader of a labor. If anyone could pull it, he could. However he might be fed up with all.
